Thanks for the suggestions.

How about – I temporarily take over for Mike Owens as owner/administrator of R8Air Permitting and then I remove Matt Langenfeld from the list and then designate Claudia and Dee as owners-administrators. Should I add Alexas Gilbert? You two are busy enough and the end result is what we want with the least effort on your part.

We can clean up the R8AirRuleMakings email when we get closer to the FRN publication date by removing the current SIP staff and adding permitting staff, Jody O., Chris D. and the appropriate ORC staff.

I will keep it on my list of things to do for the U&O FIP.

I would think at least Jody and/or Chris from the SIP group and Mike Boydston should be added to the r8airrulemakings email address so we can use it for the U&O FIP. Matt Langenfeld should be removed from the r8airpermitting email account. Since Mike Owens is likely to be retiring in the next few years, maybe Dee or me should be the

administrator of that account.

Thanks Victoria. I have no preference. I will leave it up to you all to decide what works best for you. Take care, Dee

Morning,

Here is a summary of what's going on with the email addresses for Region 8 Air Program.

There are two (3) email addresses, R8AirNDhaze@epa.gov, R8AirPermitting@epa.gov and R8AirRuleMakings@epa.gov.

The email referenced for public comment in the DRAFT U&O FIP Federal Register NPR is R8AirRuleMakings@epa.gov. I highlighted that info in **RED**. No one in the permitting group is a member and it is administered by ORC.

Do we want to make changes to that? We can designate someone else as the owner-administrator and change the members for this U&O FIP action. Then it can be changed for the next SIP/FIP action to the relevant staff.

Email	Owner-Administrator	Members
R8AirPermitting	Mike Owens	Matt Langenfeld DJ Law Noreen Okubo Mike Owens Peggy Rose Dee Rothery Stuart Siffring Claudia Smith Eric Wortman
R8AirRuleMakings	Steve Odendahl	Adam Clark Carl Daly Abby Fulton Sara Laumann Monica Morales Steve Odendahl Crystal Ostigaard Elyana Sutin Aaron Worstell

FYI - There is also an air enforcement related email address R8AirReportEnforcement@epa.gov that is owned/administered by John Michnick with members, Cindy Beeler and Alexis North.

Let me know what you want to do.
